MICHAEL REWICK APPOINTED AS PRINCIPAL OF WAYNE HILLS HIGH SCHOOL

The Wayne Township Board of Education approved the appointment of Mr. Michael Rewick as Principal of Wayne Hills High School effective July 1, 2017. Mr. Rewick has been a teacher and administrator in the Wayne District for 17 years. He earned his Bachelor's degree from Fairleigh Dickinson University and possesses a Masters in Educational Technology and Educational Leadership from St. Elizabeth's University. He began his career at Wayne Valley as a History teacher and has served the last 12 years as an administrator at Wayne Valley and as both the Assistant Principal and Interim Principal at Wayne Hills.

As the new Principal of Wayne Hills High School, Mr. Rewick hopes to create opportunities for students and staff to nurture skills which will lead to fulfilling careers. Exposing students to work experiences and internships while fulfilling their academic goals will be a hallmark of his tenure. It is his desire to continue to create an inclusive school climate where all students, including students with special needs, are embraced for their passions and abilities. He hopes to lead students to take more ownership of themselves, their school, and their community by partnering with local businesses and townspeople using advisory boards, work experiences, and charitable endeavors. His focus outside of school centers on his wife and three children. He looks forward to continuing the great tradition at Wayne Hills of academic and athletic excellence.
